# Thoraco-abdominal Aortic Surgery Conference (Virtual Meeting)

**Dec. 04, 2021 8:30-16:00 (GMT+8)**

主辦單位 (Organizer) :

振興醫療財團法人振興醫院 (Cheng- Hsin General Hospital, Taipei, Taiwan) | 財團法人新生命基金會

協辦單位 (Co-organizers) :

台灣胸腔及心臟血管外科學會 (Taiwan Association of Thoracic & Cardiovascular Surgery)

台灣血管外科學會 (Taiwan Society for Vascular Surgery)

Welcome & Opening Remarks | 魏崢 Dr. Jeng Wei

08:30 – 08:35

## Session I

Moderators: 邱冠明 Dr. Kuan-Ming Chiu | 邱肇基 Dr. Chaw-Chi Chiu | 李國楨 Kuo-Chen Lee

|               |                                                                                                       |                                  |
|---------------|-------------------------------------------------------------------------------------------------------|----------------------------------|
| 08:35 – 09:05 | 1A Surgical treatment of TAAA with T-branch stent graft                                               | Dr. Marcelo Ferreira<br>(Brazil) |
| 09:05 – 09:35 | 1B Recent 10-year experience of thoracoabdominal aortic aneurysm repair at the Kawasaki Aortic Center | Dr. Susumu Oshima<br>(Japan)     |

## Session II

Moderators: 陳益祥 Dr. Yih-Sharn Chen | 柯博仁 Dr. Po-Jen Ko | 張忠毅 Dr. Chung-I Chang

|               |                                                                                                                            |                                             |
|---------------|----------------------------------------------------------------------------------------------------------------------------|---------------------------------------------|
| 09:35 – 10:05 | 2A Open surgical thoracoabdominal aortic aneurysm repair: The Anzhen experience (安貞醫院胸腹主動脈瘤手術經驗淺談)                         | Dr. Chuan Wang<br>汪川 (北京安貞醫院)               |
| 10:05 – 10:35 | 2B In situ laser fenestration for total endovascular arch repair in redo aortic dissection (鈦激光原位開窗聯合 TEVAR 在主脈弓部二次手術中的應用) | Dr. Kong Monjian<br>孔敏堅 (浙江大學醫學院<br>附屬第二醫院) |

**Tea break 10:35 – 10:40**

## Session III

Moderators: Dr. Stephen Cheng | 施俊哲 Dr. Chun-Che Shih | 蔡峰鈞 Dr. Feng-Chun Tsai | 陳怡誠 Dr. I-Chen Chen

|               |                                                                                     |                                        |
|---------------|-------------------------------------------------------------------------------------|----------------------------------------|
| 10:40 – 11:10 | 3A Type B dissection, State-of-the-art (pre- recorded presentation)                 | Dr. Germano Melissano<br>(Italy)       |
| 11:10 – 11:40 | 3B Use of custom-made endograft in the treatment of thoracoabdominal aneurysm       | Dr. Kwong-Shun Chan<br>陳廣迅 (Hong Kong) |
| 11:40 – 12:10 | 3C Spinal cord injury and management with thoraco-abdominal aortic aneurysm surgery | Dr. Yi-Ting Tsai<br>蔡宜廷 (台北三總)         |

**Lunch time 12:10-12:30**

## Session IV

Moderators: 林萍章 Dr. Pyng-Jing Lin | 許喬博 Dr. Chiao-Po Hsu | 甘宗旦 Dr. Chung-Dann Kan | 黃懷緒 Dr. Huai-Hsu Huang

|               |                                                                                                  |                                  |
|---------------|--------------------------------------------------------------------------------------------------|----------------------------------|
| 12:30 – 12:50 | 4A Management of aortic disease in Marfan syndrome -- the experiences of Cheng-Hsin              | Dr. Huai-Hsu Huang<br>黃懷緒 (台北振興) |
| 12:50 – 13:10 | 4B Treatment of Thoraco-abdominal Aneurysms Using t-Branch Device (使用 t-Branch 分支式主動脈支架治療胸腹主動脈瘤) | Dr. Jer-Shen Chen<br>陳哲伸 (台北亞東)  |
| 13:10 – 13:30 | 4C Open thoracotomy to operate complex descending aorta and thoracoabdominal aortic aneurysm     | Dr. Chung-Lin Tsai<br>蔡忠霖 (台中榮總) |

## Session V

Moderators: 蔡建松 Dr. Chien-Shung Tsai | 許榮彬 Dr. Ron-Bin Hsu | 侯紹敏 Dr. Shaw-Min Hou | 李永在 Dr. Yung-Tsai Lee

|               |                                                                                                                                              |                                   |
|---------------|----------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------|
| 13:30 – 13:50 | 5A Endovascular and hybrid surgery of TAAA in Taipei Veterans General Hospital (血管腔內及複合手術治療胸腹主動脈瘤--台北榮總的經驗)                                  | Dr. I-Ming Chen<br>陳沂名 (台北榮總)     |
| 13:50 – 14:10 | 5B Open surgical aortic repair for chronic type B aortic dissection: experiences from a single medical center<br>(慢性 B 型胸主動脈剝離的手術: 單一醫學中心經驗) | Dr. Jun-Neng Roan<br>阮俊能 (台南成大附醫) |
| 14:10 – 14:30 | 5C Staged, hybrid approach for thoracoabdominal aortic aneurysm repair (以階段式複合手術進行胸腹主動脈瘤修補)                                                  | Dr. Kuo-Sheng Liu<br>劉國聖 (台北林口長庚) |
| 14:30 – 14:50 | 5D Hybrid reconstruction of aorta in type III thoraco-abdominal dissecting aneurysm: reporting a case.                                       | Dr. Yung-Tsai Lee<br>李永在 (台北振興)   |

**Tea break 14:50 – 14:55**

## Session VI

Moderators: 林佳勳 Dr. Chia-Hsun Lin | 李芳艷 Dr. Fan-Yen Lee | 林致源 Dr. Chih-Yuan Lin | 莊義成 Dr. Yi-Cheng Chuang

|               |                                                                                                                   |                                  |
|---------------|-------------------------------------------------------------------------------------------------------------------|----------------------------------|
| 14:55 – 15:15 | 6A Total endovascular thoracoabdominal aortic arch repair                                                         | Dr. I-Hui Wu<br>吳毅暉 (台大附醫)       |
| 15:15 – 15:35 | 6B Endovascular or Hybrid surgery for aortic repair in KCGMH                                                      | Dr. Hsu-Ting Yen<br>顏旭霆 (高雄長庚)   |
| 15:35 – 15:55 | 6C Endovascular repair for residual type B aortic dissection with thoraco-abdominal aneurysm: report of two cases | Dr. You-Cian Lin<br>林有騫 (台中中國附醫) |

**Closing Remarks | 魏崢 Dr. Jeng Wei**  
15:55 - 16:00
