Shih-Yin Yeh

Sponsoring Society

Department of Surgery, National Taiwan
University Hospital
Lung Transplantation Foundation,
Taipei, Taiwan

My Dear Colleagues,

We are honored and
pleased to invite you to
attend the 4th Meeting of
Asian Thoracic Surgical
Club. The Symposium
will be held in Taipei from the 1st through the
2nd December 2007 at the Grand Hotel.

The Asian Thoracic Surgical Club is organized
by a group of Asian thoracic surgeons with more
than 200 active members from around this area.
We will discuss the important issues in thoracic
surgery and the management of difficult cases.
Please accept our invitation to join this active and
friendly group and to take part in our scientific
symposium. The theme of this meeting is
***“recent advances and controversies in
surgical management of lung cancer”***.
You cannot miss this special meeting if you are
involved in the thoracic surgical practice and
research.

Taipei is a vibrant city with all of the color,
excitement, and rich cultural heritage of a leading
modern Asian city. The symposium site at the
Grand Hotel offers a respite from the bustle of
Taipei proper and it is also intended to allow you
some time to explore beautiful and cultural places
in Northern Taiwan.

The second day social program will take you to
the National Palace Museum to view priceless art
treasures recording the 5,000-year history of
Chinese culture, to the Yangmingshan National
Park and the Northeast Coast National Scenic
Area—an imposing mountain vistas and ocean
views, quaint centuries-old paths, and unique
vistas.

Yung-Chie Lee

Chairperson

M.D., Ph.D.

Director

**Division of Thoracic Surgery,
Department of Surgery
National Taiwan University Hospital**

Call for Abstracts

This is the official Call for Abstracts for the 4th Meeting of Asian Thoracic Surgical Club to be held on December 1-2, 2007, at the Grand Hotel Taipei, Taiwan.

Abstracts are welcome on any subject in thoracic surgery or health. The intent of the scientific program at the meeting is to include the broadest possible scope of the science and practice of thoracic surgery. Acceptance of abstracts will be judged on originality, scientific merit, study design, clarity of expression, presentation of data, and relevance to thoracic surgery. Authors shall indicate their preferred method of presentation: oral or poster (at the Scientific Committee's discretion). All authors will be notified of the acceptance of their abstracts via e-mail by September 30, 2007.

Areas of Interest topics include 1. Minimally invasive surgery in lung cancer 2. Lymph node involvement in lung cancer 3. Therapeutic strategy for multiple lung cancers 4. Application of new techniques and researches in thoracic surgery	Format	The Purpose-Methods-Results-Conclusion format
	Template	MS-Word style and content
	How to Submit	Submit your properly formatted paper to Jin-Shing Chen as an email attachment. Be sure your contact information is included in the body of the email message. Email address: chenjs@ntu.edu.tw
